SUPPORT BETH TZEDEC SISTERHOOD

July 2023

Over the past 60 years, Beth Tzedec Sisterhood has played an important role in synagogue life. If you are not a member of Sisterhood, we invite you to join us; if you are a continuing member, to you we say thank you.

Your contribution is instrumental in our mission to support, and initiate educational, social and family programs. Just this past year Sisterhood partnered with the synagogue and renovated the Bride's Room. It is beautiful. Now, when our future brides prepare for their wedding, they will have a room that will be functional, comfortable and offer the amenities needed to help make their day more special.

Your \$36.00 annual membership in Sisterhood includes membership in Women's League for Conservative Judaism, the international arm of Conservative women and the world's largest synagogue-based women's organization. Through this Conservative/Masorti movement, we provide service to hundreds of affiliated women's groups across North America, and thousands world-wide. To learn more, please visit www.wlclj.org.

As we encourage membership participation on our Board and embrace new ideas and suggestions for programs, we look forward to welcoming you as a member of Sisterhood. For any information, please do not hesitate to contact us through the synagogue office at 416-781-3511.

Regards,

Ruthann Lubin
